

Forest Calls Cooper Veto "Reckless"

By Administrator

Thursday, 28 November 2019 10:05 -

Lt. Governor Dan Forest released the following statement: "If a person tells a judge that they are not a citizen and therefore not able to serve as a juror, they should be removed from our voter rolls. Only citizens should be allowed to vote. Governor Cooper's veto is reckless at a time when so many are concerned about foreign interference with our elections."
