

McCrory speech, fracking, and audits on the agenda

By

Thursday, 21 February 2013 17:11 - Last Updated Thursday, 21 February 2013 17:12

Bruce Ferrell of WPTF News joins host Barlow Herget to discuss four of the week's big stories including Governor McCrory's State of State address and Auditor Beth Wood's critical assessment of the state Industrial Commission. Fracking and jobless benefits system are on the table, too.
