Rob Christensen of the N&O and Bruce Ferrell of WPTF News join host Barlow Herget this week. They look at breaking stories on Senate Pro Tem Phil Berger's announcement that he won't run for the U.S. Senate and another surprise departure from Secretary Aldona Vos's Department of Health and Human Services. The panel also looks at new TV ads against Obamacare which signs up members Oct. 1, which is also the date that Congress is likely to shut down the federal government.
