

Review looks at redistricting, McCrory's threatened veto and more

By
Saturday, 13 July 2013 12:01 -

Barlow Herget goes solo in the Weekly News Review, looking at the important opinion on redistricting, Governor McCrory's veto shot across the bow of legislators who want to abolish abortions in the state, and the damning lead editorial in the influential New York Times blaming legislative Republicans for the state's damaged image as a progressive Southern state.
